The United Methodist Committee on Relief (UMCOR) brings God's hope, healing and renewal to people whose lives have been disrupted by war, conflict or natural disaster. UMCOR provides humanitarian relief and disaster response to people in more than 80 countries, including the United States.

After the flood waters have receded, wounds have been tended, basic needs met, and the world's attention has faded, The United Methodist Church continues to be present by providing ongoing assistance. UMCOR provides survivors not only temporary relief, but also long-term education, training, and support. While UMCOR cooperates with other aid organizations, the most important partners in the work of recovery are those being served.

UMCOR is currently engaged in relief efforts in Haiti, the Bahamas, and the southeastern United States from devastation caused by Hurricane Matthew.
