

## Message from our Senior Pastor

Yesterday, I received this [email](#) from Bishop Mike Lowry which related the communication of County Judge Glen Whitley to make a disaster declaration for Tarrant County. In addition the program and pastoral staff had an hour long conference call this evening to talk about this issue. As a result of this ever changing situation and concern for the well-being of our congregation, their families, as well as others, the staff has unanimously agreed we will not be gathering for public worship for the next two Sundays. In addition, all activities that are scheduled to take place in our building will be cancelled through March 28. The church office will be closed for the same period of time. During this time the staff can be reached by phone or email. This Sunday we will be having one worship service online at 11:00am and you can access that through this link: <https://www.facebook.com/TrinityUMCArl/>.

I appreciate everyone's understanding during this critical time. I do ask for your prayers for our community, nation, and world. If you have a specific prayer request, please send it to: [office@trinityarl.org](mailto:office@trinityarl.org). In addition, our church will still be focused on the ministry we can do and making plans for the ministry we will be doing when our schedule returns to normal. Therefore, I ask that you continue your financial contributions during this time. You can send in your contribution by check through regular mail or can make your contribution online through this link: <https://pushpay.com/g/trinityarl>.

Thanks for being such a great congregation. I look forward to you joining us for worship this Sunday at 11:00am on your phone, tablet, or computer.

Bless you,

Dr. Dean Posey
